

FINDING THE RIGHT SCHOOL AND CRAFTING SUCCESSFUL APPLICATIONS

Team Tutors will help you make smart decisions for your child's education. As experienced educators knowledgeable about private, public and charter schools, we can anticipate and guide you through the many difficult choices you will face. Our goal is to remove the stress from the school application process and help your family make thoughtful and informed choices.

Team Tutors will help you with the ENTIRE school selection and application process:

- Factors to determine best school fit
- Learning style assessments
- In depth information about the schools
- Customized list of schools to apply to
- School tours – what to look for and questions to ask
- Application support – from tracking deadlines to crafting essays
- Interview Preparation
- Consulting after “letters” come out – deciding between two schools and navigating waitlists

Team Tutors has successfully helped families gain admittance to their first choice schools at all levels from preschool to high school, including school transfers and late applications.
